ENRICHMENT GUIDELINES AND APPLICATION

THE BUNNY LOVE FOUNDATION SCHOLARSHIP

GUIDELINES

PURPOSE: The Bunny Love Grant was established to assist Booker T. Washington High School for the Performing and Visual Arts students with voice and dance training. \$3,000 will awarded for voice lessons and \$2,000 will be awarded for dance lessons each year.

ABOUT THE SCHOLARSHIP: The Bunny Love Foundation Scholarship, established by Anne Davison, gives students who may need it most the experiences and instruction they need -- which may not be provided by the school or always affordable by the student. Without the additional supplemental training that the Bunny Love Foundation makes possible, these students would not be competitive with other students from across the country from affluent families who can subsidize additional training – which is proforma in both vocal and dance academia. This ability to 'level the playing field' makes Bunny Love grant recipients more competitive -- which we frequently see result in scholarship offers and opportunities post-graduation – as well as shoring up the kind of advanced training and skills that these students need.

ELIGIBILITY CRITERIA: Bunny Love Scholarships will each be awarded to deserving Arts Magnet students needing assistance with training in dance or vocals. Qualified candidates will provide proof of financial need and submit a complete application. Awards will be used only to provide private lessons to vocal and dance students at BTW.

SELECTION AND AWARD PROCESS:

- The Enrichment Committee of The Advisory Board will select the recipients.
- The recipient will be required to send a thank you note and statement of how funds are to be used to both The Advisory Board and The Bunny Love Foundation.
